**EXAMINER:**

Dear Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 50-0545.

This Supplemental Information Disclosure Statement ("IDS") is submitted pursuant to 37 CFR § 1.56. The filing of this "information disclosure statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b)." See 37 CFR § 1.97(h).

Because the IDS is being provided within three months of the filing of this application, Applicants submit the IDS without fee.

Dear Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 50-0545.

<b>PUBLICATION NO.</b>	<b>PUBLICATION DATE</b>	<b>BASIS FOR RELEVANCE</b>
JP 5-49702	02/03/1993	To prevent the generation of the disease such as erythema and bulla by selecting the positive and negative polarity applied on a pair of electrodes, which are set on a living body epidermis, keeping an interval, and gradually varying the electric current on the start of electric conduction and in the polarity selection.

The device has an active product reservoir (15) and is designed to apply the product onto the eye of a patient. The device has at least one active electrode in the reservoir, a passive electrode and a current generator. The active electrode (11) is a surface, which is arranged with respect to ocular tissue at the periphery of the cornea. The current generator has a nominal current density less than  $10 \text{ mAcm}^{-2}$ , but preferably  $0.1.5 \text{ mAcm}^{-2}$ . It includes a controller which permits constant application of the current during a period between 30 s and 10 min, preferably 1-10 min. The reservoir or the active electrode are annular. The reservoir has an internal diameter ( $d_i$ ) with  $D \leq d_i \leq 1.2D$ , where  $D$  designates the cornea diameter, and an external diameter ( $d_e$ ) with  $1.4 D \leq d_e \leq 1.8 D$  and preferably  $1.4 D \leq d_e \leq 1.7 D$ .

Should anything further be required, a telephone call to the undersigned at (312) 226-1818 is respectfully invited.

Respectfully submitted,

FACTOR & LAKE, LTD.
